Subject: Travel Restrictions Reminder

Date: October 11, 2021

Dear ML Learning Community,

As a reminder, the MLSD is following the guidelines of the CDC/NJDOH regarding travel. Here's what you need to know:

- If you must travel, domestic and international travelers who are not fully vaccinated must get tested with a viral test 3-5 days after travel AND stay home and self-quarantine for a full 7 days after travel, even if you test negative.
- If testing is not completed post-travel, individuals must self-quarantine for 10 days.
- International travelers who are fully vaccinated do not need to be quarantined from school, but should get tested with a viral test 3-5 days after travel, self-monitor for symptoms, and isolate if symptoms develop.
- Domestic travel is defined as lasting 24 hours or longer to states or U.S. territories other than those connected to New Jersey, such as Pennsylvania, New York, and Delaware.

Please note: Students who are quarantined due to travel will not have access to virtual learning.

Should you have any questions, please contact your building principal or school nurse.
