Dear Parent/Guardian:

We look forward to having your child(ren) return to school starting on Thursday, September 9th.

In an effort to ensure our school community remains vigilant against the spread of COVID-19, please complete this [form](#) certifying that you will screen your child on a daily basis for symptoms of COVID-19 and will keep your child home if any of the criteria on the Covid-19 Daily Screening are met. A copy of the district's Covid-19 Daily Screening for Students can be viewed below. Please note you must complete this form for each of your children.

Submission of this screening certification is only required once for the 2021-22 school year. This certification will replace last year's daily screening COVID-19 questionnaire.

As always, please reach out to your school's nurse if you have any questions or concerns. Wishing you and your family an enjoyable remainder of the summer break.

Regards,

Michael J. Fetherman

Superintendent of Schools

### COVID-19 Daily Screening for Students

**Parent/Guardian:** Please review this self-assessment each morning before reporting to the bus stop or school grounds.
