Dear ML Learning Community,

I trust this email finds you well.

As we usher in the start of a new school year, there are so many things for which to be grateful, among them no masks, no travel restrictions, and no contact tracing, just to name a few! Our classrooms and learning spaces will soon be filled with students and each of us has the opportunity to hit the reset button at the onset of the first marking period. The 2022-23 school year is filled with promise!

Our first order of business is to communicate with you the [MLSD Health Protocols](#) in place for the upcoming school year. This summary table is not meant as an exhaustive list of all the particulars related to student health, but rather a handy reference for commonly asked covid-related questions. Naturally, if your child is not feeling well, please keep her/him at home.

In addition, I would like to provide the community with a welcome letter from our new Assistant Superintendent, Mrs. Ivonne Ciresi, located [HERE](#). Mrs. Ciresi brings with her to Mountain Lakes the knowledge and skills of a career educator; there is much to be learned from her that will benefit teacher practice, curriculum implementation, and, ultimately, student achievement. I look forward to her many contributions.

On Wednesday, August 31st, the MLSD school year begins in earnest. We send each of you best wishes for a safe and successful school year!

Sincerely,

Mr. Michael J. Fetherman
Superintendent of Schools

Mrs. Ivonne Ciresi
Assistant Superintendent

Mountain Lakes School District would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Mountain Lakes School District directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: [Unsubscribe](#)

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
